Real Estate and Development

Real Estate & Development

Barnwell Whaley attorneys provide all services in connection with the purchase and sale of real property including title searches, procurement of title insurance, and preparation of deeds, mortgages, and other attendant documents. Our Real Estate and Development clients include:

- Owners
- Investors
- Franchisees
- Lenders
- Municipalities
- State Institutions
- General Business Clients

B.C. Killough is a licensed title insurance agent, having extensive experience with title searches and procurement of title insurance in the most difficult of situations.

Our real estate team works efficiently and effectively to find creative solutions to your real estate needs.
